Employment Opportunity – Supply Staff

Are you passionate about families and their children and seeking an opportunity to enhance your skills as an Early Years Professional? Are you looking to join a team dedicated to supporting families in reaching their full potential? If so, Childreach has an exciting opportunity for you to join our team. We are seeking supply staff to support our EarlyON programs for families.

Since 1975, Childreach has provided support, programs, services, and learning opportunities to parents and Early Years Professionals so that all children reach their full potential. We facilitate playgroups, programs, workshops and services that: build relationships and connections with families; role-model positive parent-child interactions; provide warm referrals and connection to community services; and enrich parents understanding of early learning and development. Childreach welcomes families into literacy-rich environments that foster child-led, inquiry-based learning using the best practices outlined in How Does Learning Happen? [Ontario's Pedagogy for the Early Years](#) and emergent curriculum as the cornerstone of our service delivery. Learn more at www.childreach.on.ca.

Position Summary

Supply Staff are responsible for providing programs and services to support and strengthen parents and professionals so that all children may reach their full potential. Supply staff would be called upon to work in a variety of Childreach programs including main centre and community programs.
