

Meadowlilly

Entry Point #3

Parking: Meadowlilly Rd

(Meadowlilly Rd South of Hamilton Rd)

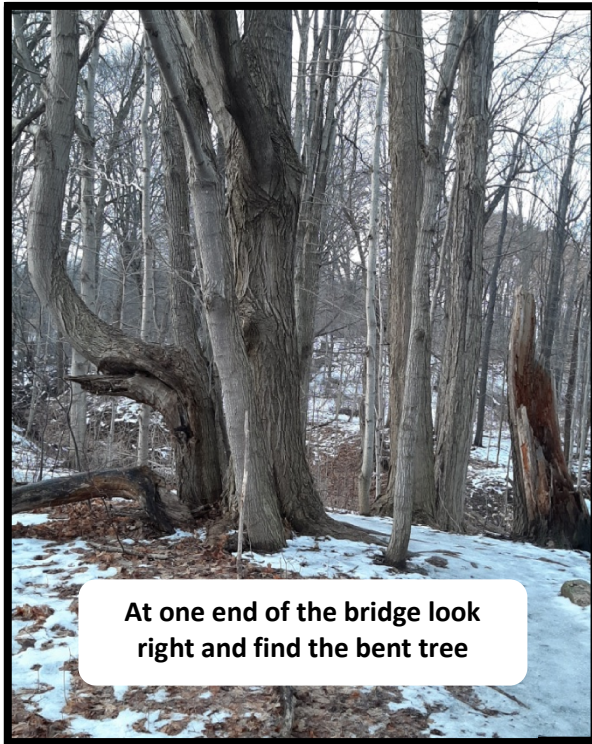

Find the double post at the "trail closed" sign.

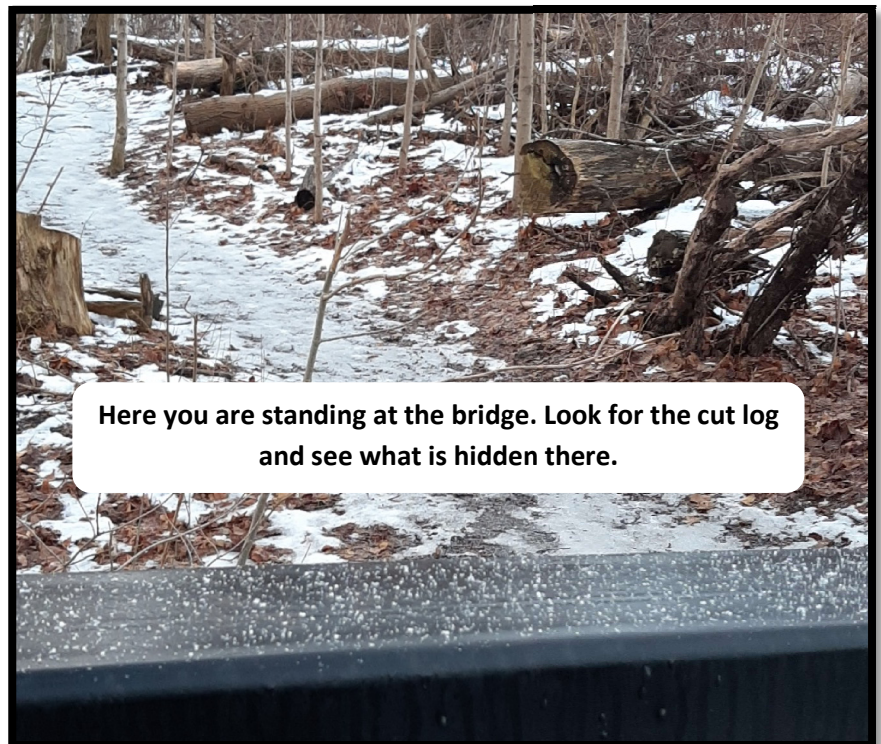

Find the rotten black log near the Talbot Trail Land Trust sign.

At one end of the bridge look down & find this log.

At one end of the bridge look right and find the bent tree

Here you are standing at the bridge. Look for the cut log and see what is hidden there.

The clues to the animal stones are in these photos. Can you find all of these places?
